

WEDDING SERVICES PACKAGES

Our services cover both formal and informal weddings, magazine style, from traditional european to asian and anything different, at special venues and locations.

We offer a studio service to give an extra dimension to the services we offer.

Registry office service: £250 - £400

We will take all the photos at the registry office including the ceremony, then groups and portraits plus informal shots and supply a complete CD/DVD of the photos at high res for you to print.

Asian and Special Services

We offer a bespoke service for weddings and ceremonies that need a different approach, timings or overall commitment in time and resources.

We will look at your specific requirements and propose the most appropriate photo solution.
